WHAT TO EXPECT AND RECOMMENDATIONS

What is Teatro del Silenzio? It's a one-of-a-kind location in the countryside near Lajatico, where Maestro Andrea Bocelli has been performing every summer since 2006. It takes place in Lajatico, little charming hilltop village of Tuscany and birthplace of the famous singer. Andrea chose this location for this event that is different every year, due to his deep attachment to his land, roots and people.

Lajatico has got less than 1,000 inhabitants, and for that special event 12,000 people are expected. Please be aware of this fact to understand the logistic work behind this big event.

Teatro del Silenzio, translated in English "Theater of Silence", is a natural space among the hills overlooking the town of Volterra. It's about 1 km from the town Lajatico and reachable only through 3 little roads in the fields, each corresponding to a specific gate and admission ticket category.

The view from there is stunning, but being in the middle of nowhere means also that there are no infrastructures like in a stadium or a standard music hall. There can be dirt roads, long walks, queue at the gates, chill at night. For sure inside the arena, once you pass the gates, everything is pretty, magical and organized for the special occasion. **There and food and drink stalls. Toilet facilities are also present** inside.

If you have mobility issues and you are not able to walk up and down to reach your seat, this event is not recommended.

We will not depart Lajatico until we have confirmed that everyone is safely aboard their vehicles and ready to return to the hotel. For group transfers, please note that we cannot accommodate delays caused by individuals who have become lost or disoriented due to excessive alcohol consumption or similar issues. This behavior disrupts the experience for other travelers and the work of the bus driver and guide. A fine will be applied.

If you want to add to your Bocelli package also some private tours with us and activities such as cooking classes, wine and food tasting, biking excursions sightseeing, please book them far in advance, within the end of April. Our company is a small one and we have a limited selection of guides. Once they are booked, we stop the selling.

If you need to add transfer to/from airport, train stations or other towns, please book them as soon as possible, within the beginning of May. Drivers are not sufficient for the number of requests during that extra-ordinary week. If you wait last minute you risk to either not find availability, or pay a fortune.

Please download the app WhatsApp on your phone. This is how we will communicate with you after the reservation and the way we will send you the confirmation voucher, e-tickets and other essential pieces of information.

Please have always your phone charged, especially after the concert in case you have difficulties in finding us. Large and heavy power-banks /phone chargers are not allowed inside the show venue.

VERY IMPORTANT INFO:

PICK UP:

→ The pick-up point in Florence, Pisa, Lucca, Volterra and San Gimignano, might be not in the very center of the town, where buses are not allowed to enter. You'll meet the guide at a convenient meeting point and then you'll reach the bus following their instructions. Information about exact timing and place will be given in the voucher. The drop off point after the show will be the same as the pick-up point.

→ Once in Lajatico, the bus will be allowed to park only in specific parking areas, that are 1 km distant from the gate, with ups and downs. No closer drop off point is permitted. If you have mobility issue this is not the event for you.

→ From Florence, Pisa, Lucca, Volterra and San Gimignano the bus will drive straight to Lajatico.

From the other destinations it might be that the bus needs to stop one time or two on the way to Lajatico to pick up some more passengers.

→ Please, remember that you are part of a group transfer, so being punctual is essential out of respect for all the other passengers. Drivers and/or guides will wait for 5 additional minutes after the scheduled departure time, after which the bus will have to leave. You will need to find your way to Lajatico.

ARRIVAL TIME:

→ Police traffic management is beyond our control. In the event that the road to Lajatico is temporarily closed due to traffic congestion, our buses will need to wait. This is usually a matter of some minutes only, but it cannot be predicted.

→ Our buses are planned to arrive in Lajatico not later than 18:30 (6:30 pm), which is more or less 2 hours before the show starts. Some of you might consider this too early, but we want to make sure, first of all, that you are not stuck in traffic that for sure will occur if you arrive later, and secondly, that you can enjoy the pre-show atmosphere walking through the little alleys of Lajatico, taking pictures, enjoying some nice prosecco or red wine from the region... rather than remained seated on a bus worried not to get to the show on time.

It is a decision taken after many years of experience in bringing our guests to Lajatico for this big event.
