COMMUNITY TOURISM IN RURAL TUSCANY: FEEL, LEARN & BUILD MEMORIES

Dear Friends,

we want to help you understand who we are, how we operate and most, importantly, why to choose us! Let's introduce ourselves: **Arianna, Consuelo, Luca, Moira, Anna, Davide, Alex, Cristiano, Diletta and Yvonne.**

We consider our company to be very different from other tour operators. One main difference is that **when you book with us, you will meet us in person and once you are in Tuscany, you will become our Tuscan friends.** Here tourists are not just tourists, they are friends.

Indeed, our "**Friends**" are both our collaborators and our customers, who **are treated like good friends** when they come and visit us. We are proud to show you our **native land and its beauty** and we are **happy to design bespoke itineraries** for your Tuscan stay.

We operate in an area called "**Terre di Pisa**" that is **very representative of the Tuscan countryside.** It is a **small area of Tuscany where you will find a wide variety of interesting and typical Tuscan tours and activities to do in a matter of a few kms.** And this fact is unique! There are no other areas of Tuscany that can offer so much to see and do in such a small area.

This enables us to **support local farms** offering wine and food and cultural day tours, designed for visitors who want to **visit the real Tuscany, feel like home,** spend a day as a family, visit **authentic hilltop villages, castles and private villas,** meet excellent **wine/olive oil/cheese /truffle/pasta/saffron producers** and above all, have access to destinations that are **out of the mainstream mass-tourism industry** and stay away from overtourism.

Our tours and guided visits to local farms, producers and to historical towns are led only by the internal staff of Arianna & Friends and some chosen collaborators, who are also our friends. With us you are 100% guaranteed not to have just "any" guides **but to have the best guides, who are knowledgeable, passionate, enthusiastic & fun.** We are convinced that **it's the people that make the difference in your tour experience.** Wouldn't you agree?

The local producers we work with have become our friends and they work with **passion and devotion** and are ready to share their knowledge with you. You will get to meet them and learn about their life, their company, their choices, and philosophy. We want to offer you a **very personable and authentic experience** and this is why we have selected what we consider to be the most suitable destinations to make you **feel at home** yet experience and **absorb all aspects of our culture.**

We also organize **private chef services, cooking classes,** private transportation, small civil and symbolic weddings, trekking and e-bike tours. We are renowned for arranging packages with **tickets to Teatro del Silenzio** for the annual event by **Andrea Bocelli** in Lajatico and also for offering **vespa tours** including the visit to the Piaggio museum that is very close to us.

Our aim is that **at the end of a day with us you feel part of a community, learn the various aspects of our culture and become our friends,** whom you can meet any time you return to our beautiful region. Let us help you build **memories that you will have for a lifetime!**

As one of our guests said: "With Arianna & Friends, you arrive as a friend and leave as family!"
